Jon F. Swift, Inc. Appoints Ben Sasse as Vice President

Sarasota, FL –Jon F. Swift, Inc., one of the area’s leading commercial construction firms, has announced today that Ben Sasse has joined the company as Vice President with responsibility for new business development, estimating and project management.

Sasse holds a bachelor’s degree in Environmental Design and a Master of Science in Construction Management, both from Texas A&M University. He most recently served as Project Executive for Willis A. Smith Construction managing preconstruction through closeout on some of the area’s largest commercial construction projects including the Gulf Gate Library, Sarasota County Technical Institute and various projects at the Ringling College of Art & Design. Prior to working for Willis A. Smith Sasse served as a Project Manager for construction firms in Texas and Florida.

Sasse is a Class A Florida Certified General Contractor and earned his LEED (Leadership in Energy & Environmental Design) accreditation in 2007. He is a member of the USGBC (US Green Building Coalition) Florida Gulf Coast Chapter and a founding Governing Council Member for the USGBC Myakka River Branch Chapter.

“We are delighted to have Ben’s talents and leadership abilities on our team,” noted the firm’s president Jason F. Swift. “His experience and expertise will allow us to continue our high level of commitment to serving our clients with ownership and accountability beyond the construction process.”

Jon F. Swift, Inc. is recognized as one of the area’s leading commercial contractors, serving Sarasota and Manatee County public and private sector clients for 35 years. For more information please call (941) 951-6100 or visit www.jonfswiftinc.com.
